GURU ESWAR SAINATH REDDY KUMMITHI

SENIOR ENGINEER

Proddatur, Andhra Pradesh - 516360, India | kummithi.sai00@gmail.com | 9949907910 | LinkedIn

PROFILE

Senior Engineer with 4+ years of experience building high-traffic streaming platforms and automation systems. Led frontend development for a React-based OTT application serving **200K+ monthly viewers and 50K+ active subscribers**, and developed **Rust-based device services** using secure WebSockets and AWS for large-scale device and SDK validation.

TECHNICAL SKILLS

JavaScript, React JS, Redux, Tailwind CSS
Node JS, Express JS, MongoDB
AWS (Lambda, API Gateway, S3, CloudFront, DynamoDB)
Rust, WebSockets, JSON
Jest, Cypress, Cucumber

PROFESSIONAL EXPERIENCE

Senior Engineer, Tata Elxsi **Sept 2021 — Present**

Bengaluru

Frontend Developer – Streaming Platform UI

- Built and maintained scalable UI for a streaming platform with **200K+ viewers & 50K+ subscribers** across smart TVs and web.
- Implemented **React Router** navigation, **Redux** state management, and **OAuth 2.0 + OIDC** authentication.
- Optimized responsive layouts for large screens and collaborated with backend/product teams for API alignment.

Tech Stack: React, Tailwind CSS, Redux, React Router, OAuth 2.0/OIDC

Full Stack Developer – Internal Automation Catalogue Platform

- Developed internal platform to catalog automation projects, enabling reuse and faster development.
- Built **React dashboards/forms**, integrated **Node.js + Express REST APIs**, and designed **MongoDB schemas**.
- Deployed on **AWS (CloudFront)** with search/filter features for quick project discovery.

Tech Stack: React, Node.js, Express, MongoDB, AWS CloudFront

Software Engineer – Firebolt Automation Platform (Hybrid Open/Closed Source)

- Contributed to hybrid open/closed-source automation framework validating SDKs & device behavior.
- Built **Cypress + Cucumber** client framework with **Jest** unit tests; developed **Rust-based device extension** for Ripple set-top boxes.
- Implemented secure **WebSocket pub/sub** communication and device-level operations (logs, screenshots, remote reboot).
- Deployed services via **AWS Lambda, API Gateway, S3, CloudFront**; extension used in **50+ devices across NA & EU**.
- Published open-source repos: Cypress Client, Third-party App, Mock Firebolt OS, Ripple.

Open-Source Client (RDK Central):

- Cypress & JavaScript Test Client: **[GitHub – Cypress Client Repo]**
- Client based 3rd party application: **[GitHub – Thirdparty app Repo]**
- Mock server to replicate Firebolt OS: **[GitHub - Mock Firebolt OS Repo]**
- Ripple : **[GitHub - Ripple Repo]**

Tech Stack: Rust, JavaScript, Cypress, Cucumber, Jest, WebSockets, AWS Lambda, API Gateway, S3, CloudFront, Linux, CI/CD

Freelancing

Freelance Frontend Developer – Client Portfolio Website (Confidential)

- Designed and developed a **responsive portfolio website** for a public figure using **React and modern UI practices**.
- Built sections for biography, media, achievements and public engagement.
- Implemented SEO-friendly structure and performance-optimized layouts to improve visibility and loading speed.

- Collaborated directly with the client to gather requirements and deliver a custom visual identity.
- Built a protected admin interface using **JWT token–based authentication**, enabling secure and automated data uploads for gallery, news, and events management.
- Deployed the application using AWS (S3, API Gateway, Lambda, DynamoDB, CloudFront) with CI-based automated deployment.

Tech Stack:

React, Tailwind CSS, React Router, AWS services(S3 bucket, Lamda functions, Api Gateway, DynamodDB, Cloudfront for hosting), CI for auto deployment

EDUCATION

B.E. **Jul 2017 — Apr 2021**

R.L.Jalappa Institute of Technology, Bengaluru

Graduated in Computer Science and Engineering

CGPA: **7.4**

Intermediate **Jul 2015 — Apr 2017**

Sri Chaitanya Junior College, Kurnool

CGPA: **9.35**

10th standard **Jun 2014 — Apr 2015**

Sri Ravindra High School, Proddatūr

CGPA: **9.0**

HOBBIES

Workout, Bike rides, Cooking

LANGUAGES

English, Telugu, Kannada, Hindi
